European Schoolnet is looking for an intern to join our Science Education Department in Brussels (Vacancy Reference: SciEduDept-2022E12). This position will be a highly active, hands-on role and will give an excellent opportunity to get to grips with a range of issues in coordination of science education projects and work in an international environment liaising with colleagues and partners from all over Europe.

**MAIN TASKS**
This list is for indicative purposes only. It will be adapted to meet the priorities of the organisation and in response to skills demonstrated by the intern. Tasks will include supporting project managers on:

- Teachers’ coordination
- Competition coordination and management, including project administrative issues
- Curating and editing learning resources
- Liaising and following-up with communities of teachers/schools and providing them ongoing online support
- Providing support in webinars and online meetings
- Drafting articles, letters, minutes, and reports

**PROFILE AND SKILLS**

*Must haves:*
- Very good spoken and written English plus at least one other EU language.
- Very good organizational skills since success in this role will depend upon forward planning and proactivity.
- Attention to detail and being able to work independently is critical.
- Candidates should be enthusiastic with the desire to learn continuously and maintain a high level of quality in their work and have a positive attitude towards trying out and using different IT tools.

*Preferable:*
- Masters’ degree preferably in education, science, or science communication, with strong motivation on the following areas: Science Education, ICT in Education and European funded projects.
- Good understanding of IT tools (minimum MS Office Word and Excel – intermediate user), ideally also Adobe Connect, Google docs, Moodle, OpenOffice, etc. and basic knowledge of HTML
- Experience in writing articles/letters/papers/reports and planning agendas/meetings
YOU SHOULD

- Be ready to start the internship as soon as possible
- Like working hard and learning every day
- Thrive working in a fast-paced international environment
- Be interested in a project coordination career path, working with teachers and have a self-sufficient and proactive nature.

USEFUL INFORMATION

- **Duration**: 6 months’ internship
- **Deadline for applications**: until the position is filled.
- **Benefits**: a stipend of 1000 €/month net for the duration of the internship.
- **Location**: European Schoolnet, Rue de Tréves, 61, Brussels, Belgium¹.
- Interviews will take place as soon as possible via video conference.
- Due to the volume of applications, only pre-selected candidates will be notified.

HOW TO APPLY

Please send your **motivation letter and CV** in English, as one single file² to jobs@eun.org with agueda.gras@eun.org in CC.

- Make sure to include the Vacancy Reference in the subject of the email.
- The motivation letter should show how your background and interests fit the tasks planned for these internships.
- The motivation and CV file should be named: VacancyReference-LASTNAME.pdf.

ABOUT EUROPEAN SCHOOLNET

European Schoolnet (www.eun.org) is the network of 32 European Ministries of Education, based in Brussels. As a not-for-profit organisation, we aim to bring innovation in teaching and learning to our key stakeholders: Ministries of Education, schools, teachers, researchers, and industry partners. Since its founding in 1997, European Schoolnet (EUN) has used its links with education ministries to help schools make effective use of educational technologies, equipping both teachers and pupils with the skills to achieve in the knowledge society.

ABOUT THE SCIENCE EDUCATION DEPARTMENT AT EUROPEAN SCHOOLNET

STEM Education is one of the priorities of EUN’s Ministries of Education (MoEs). In the last 10+ years, this team has been involved in over 50 STEM education projects including both EC funded initiatives (e.g., Scientix, the community for science education in Europe) and private funded projects (e.g., the STEM Alliance). The department consists of 20 colleagues, including project managers, pedagogical advisers, and communications officers.
