THE WAY WE'D LIKE TO LEARN!

- Joakim  - 'using technology that helps me to organise my learning'
- Tina  - 'learning by experience'
- Kertu  - 'flexible way that adapts to learners' needs'
- André  - 'we need to rethink schools'
- Tuva  - 'merge subjects and combine learning with different activities'
- Alexander  - 'learn by yourself, learn how to solve problems'
- Topias  - 'using technology to make learning more efficient'
